A second printing of the book *Pines in the Sand* is underway now. The first batch has been completely distributed to family members and friends across Canada, the USA, Britain and beyond. As well copies have been deposited with two local museums, a library and the archives of the congregation of Mt. Zion United Church, the original family church.

The 134-page book offers a detailed history of August and Ida (Heideman) Lemke who were married in 1885 and the first generation offspring spanning the years 1886 through to 1909 – Mary, Samuel, Alvina, Bill, Herman, John, Lorinda, Ella, Edna, Alice and Edwin. Early black & white pictures mingled with more recent colour images on every page feature the following five generations of cousins. Everybody is included and now the timing of this second print run has allowed the inclusion of a couple more births as recently as October 2024.

Obviously this is not a bookstore book. The ratio of the limited print run and fixed costs dictate an at-cost price of \$50.00 that includes shipping to you.
